Mr. William Casey

Dear Mr. Casey:

The San Fernando Valley is a part of Los Angeles County with a population of over 1,500,000. The United Chambers of Commerce of the San Fernando Valley are fully committed to a constructive working relationship between business, government and community. The voice of business adds a very positive and noticeable impact on our Community because of our Chamber work.

Coordination is maintained with the 20,000 members and to their business communities of over 1,000,000, affiliated with our Chamber of Commerce, along with a coalition of Statewide Associations representing important segments of business, industry and agriculture.

As Committee Chairman for special events this year I would be most honored to have you as our Guest Speaker the first week of February or March. I have tentatively booked the Sheraton Universal's Ballroom for a Luncheon Meeting to be held, at your convenience, during these weeks.

Again, it would be a great honor to have you as our Guest Speaker. Please let me know what kind of remuneration would be required. Your earliest answer would be most appreciated.

Very truly yours,

Chairman
